The Klimakion of the KKE Polithuro is reported to have recently issued the following directives:

"Levy of Additional Dues for KOA and KOP Equipment

a. In view of the fact that everyone will receive an Easter bonus, the Athens Klimakion of the Central Committee decided that all members will be required to pay the sum of 5000 drachmas each. This money will be used to reinforce the technical equipment of the fillegal mechanism of the Communist Organization of Athens (KOA) and of the Communist Organization of Pirasus (KOP).

"Peace Congress

- b. The Peace Congress, which is to convene in Paris, is of great importance, for it will decide on the method of organization for the peace campaign, as well as against the warmongers of the entire world. The Provisional Democratic Government, therefore, decided to send an AKE (Agrarian Party of Greece) delegation to Paris to represent Free Greece at this Congress.
- c. The Party Organizations of Athens and Piraeus should draft memoranda and protests against the present terrorism and the activities of the foreign warmongers in Greece, and they should gather thousands of signatures for these memoranda and protests. All these should be sent via OENO at Marseilles, and from there to Paris, by 23 April 1949. They should also attach to these documents photographs of tortures, executions, etc.
- d. The "enlighteners", tuning in on the broadcasts of foreign stations and of the Free Greece radio station, must keep notes of all news concerning the Congress at Paris, and must start a propaganda of "enlightenment" on a grand scale regarding the functions and decisions of this Congress. This propaganda should be spread among the Party members as well as among the people.
